

Cerulean Winds

The North Sea Renewables Grid (NSRG)

OEUK: 17th September 2024

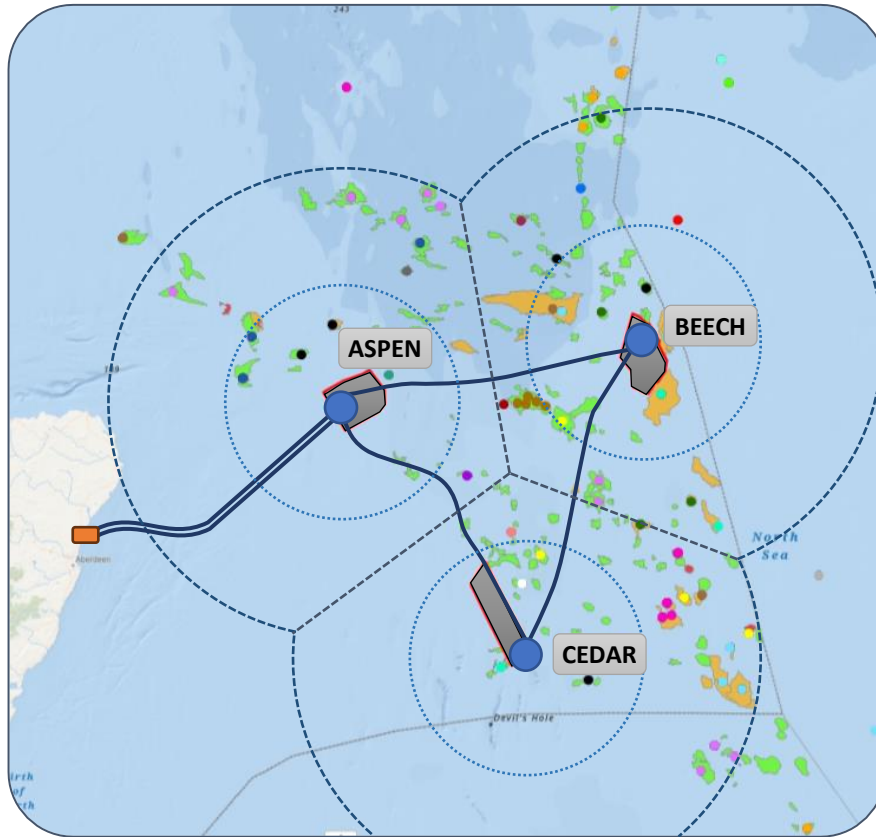

Laura Jarvie

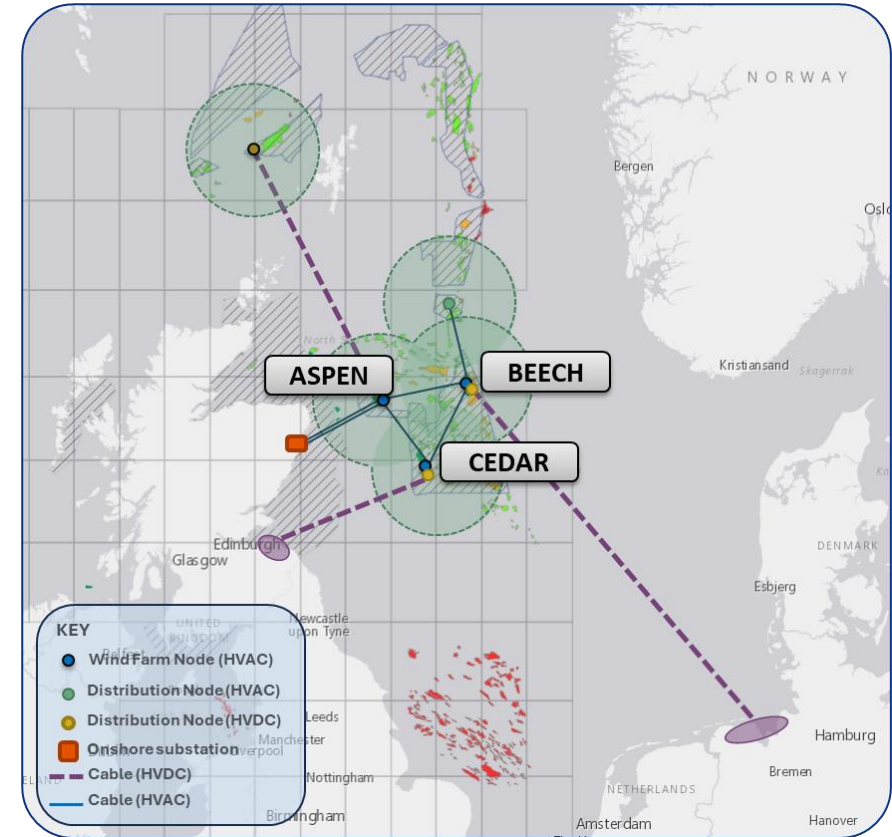

North Sea Renewables Grid (NSRG) Project

INTOG - O&G Decarbonisation

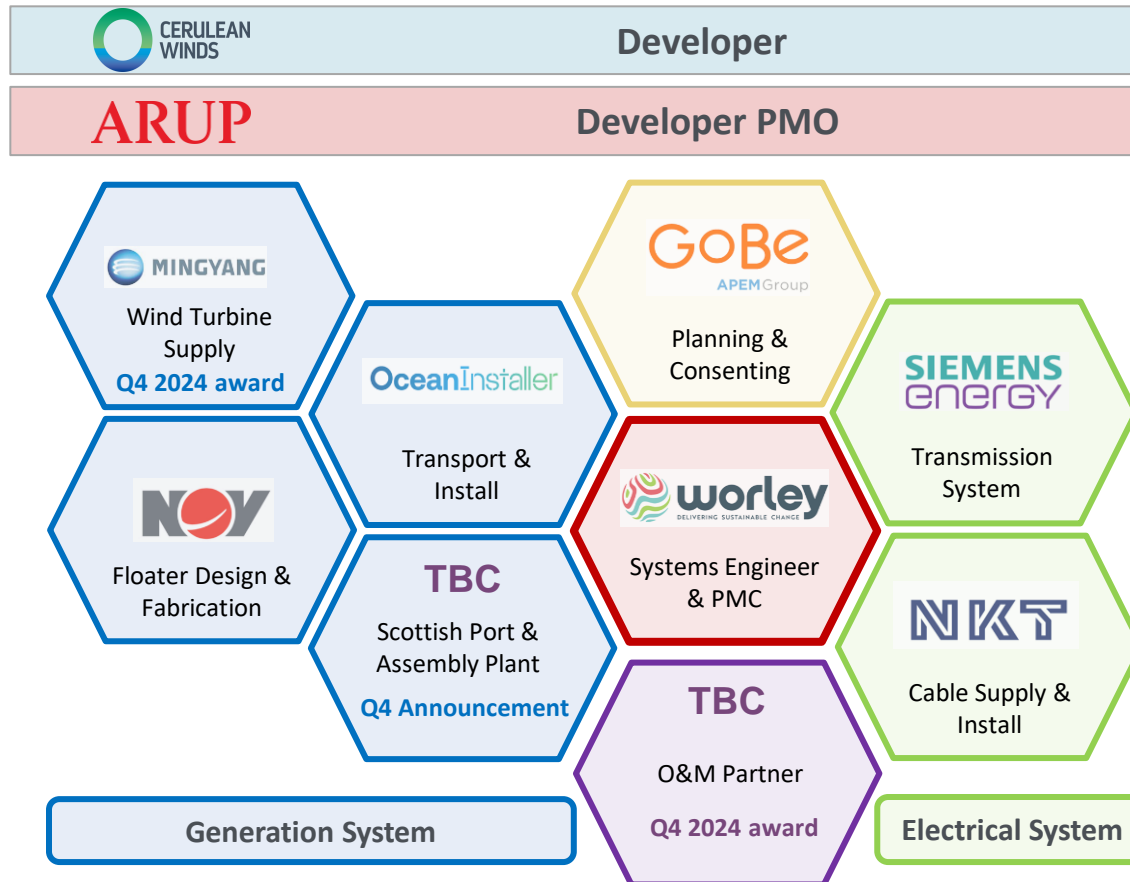

Broader Project Development Plan

Supply Chain Delivery Consortium is ready to go.....

Long standing relationships with corporate backing = assurance toward project deliverability, schedule and cost certainty = investor confidence in the project economics.

NSRG – The key to unlocking the opportunity
